7. Noah found \_\_\_\_\_ in the eyes of the Lord

## The Rights Of Visitors

Almost every time that our doors are opened for services we are blessed with several visitors. They may be visitors from the community, invited by one of our members, or even just people passing through our city. Whatever the situation we need to treat them with special concern and make sure that their visit with us is profitable. In thinking about this I believe there are a few things that visitors have every right to expect from us whenever they are here:

- **EDIFICATION** (1 Cor. 14:4-5) – This word means “to build up”, people should leave the assemblies stronger than when they came.
- **EXHORTATION** (1 Cor. 14:3) – Exhortation is a primary reason for assembling, people should always be encouraged to do the right thing, and to make holy decisions.
- **UNDERSTANDABLE TEACHING** (1 Cor. 14:19) – Every lesson that is taught should be able to be understood by the people that are there.
- **PARTICIPATION BY THE MEMBERS** (1 Cor. 14:16) – This is a great opportunity to leave a good example for everyone to see.
- **DECENCY & ORDER** (1 Cor. 14:27-40)

## Today's Sermons - 10/30/2011

AM: Applying The Standard

PM: Your Will Be Done

Additional Prayers

WHAT TYPE OF READER ARE YOU?

**WE REGULARLY TALK ABOUT THE IMPORTANCE OF READING OUR BIBLES. SO THE QUESTION I ASK TODAY IS WHAT TYPE OF READER ARE YOU? I HAVE THOUGHT ABOUT IT AND I HAVE COME UP WITH 5 DIFFERENT TYPES, AND NOTE THAT EVERYONE FITS INTO ONE OF THESE CATEGORIES.**

- **THOSE WHO NEVER READ** - sadly this is probably the largest group, people who NEVER pick up the bible and read it at all.
- **THOSE WHO READ SPARINGLY** - This is the one who owns a bible, but reads only now and then.
- **THOSE WHO READ SELECTIVELY** - People who only read certain parts of the bible.
- **THOSE WHO READ DEFENSIVELY** - Those who read just to prove other people wrong.
- **THOSE WHO READ REGULARLY** - Those who read to learn, to understand, and to obey.

**YOU NEED TO EXAMINE YOUR OWN LIFE AND TAKE NOTICE WHAT KIND OF READER THAT YOU ARE TODAY. IF THERE IS WORK THAT MUST BE DONE TO IMPROVE YOUR BIBLE READING I ENCOURAGE YOU TAKE THE STEPS TO IMPROVE TODAY.**
