Additional PrayersA Letter From Your Bible Class Teacher

*Dear Bible Student,*

*It is that time again to begin our new adult classes here at Southwest. I have been preparing for my class and I am excited to get started. I promise that in my class there will be much to learn and much to apply. I see us growing in our knowledge and service to our God together. As I stated above I have been working hard already, and I will continue to prepare each and every week to make our study the best and most effective that it can be. There are two things that I would like to ask of you as we begin this journey through class together:*

- 1) Make it a priority to make it to every class that you can. (try hard this quarter to also bring someone else with you)*
- 2) Prepare for class beforehand. If you come prepared and I come prepared we can't help but have a great class every week.*

*Thank you for taking the time and reading this letter. I look forward to seeing you in my class.*

*Sincerely,  
Your Bible Class Teacher*
